

Croydon Methodist Circuit

Praying Together

Autumn 2024

God of Love,

We thank you for one another and for our Circuit. We pray for your guidance, vision and courage as we move forward together. We ask your blessing on the mission and ministry of our worshipping communities. We pray for:

Addington

We give thanks for the Croydon Methodist Circuit, the Preachers, Ministers, Supernumeraries and the Circuit Leadership Team. All our church stewards and those always willing to help with the running of our churches. We are richly blessed.

Please pray for all the veterans and all those working for peace. For the approach of Remembrance Day, Advent and all the celebrations leading up to Christmas Day.

Christ Church

We give thanks for our community events including monthly coffee morning with food bank collection and rejuvenated Stay and Play group.

Please pray for our response to those in need, particularly the local homeless people.

Downsview

We give thanks for our children's outreach - Arts & Crafts and the Car Park Mission with the new connections these are making.

Please pray for how we can help our members to accept that doing church is more than what happens on a Sunday morning church service.

Hall Grange

We give thanks and pray for all those who live and work at Hall Grange.

We pray for the Lantern Parade at the end of November and all those who will take part.

Norbury

We give thanks for the 120th Anniversary of our church and the small family community setting of Norbury MC.

We pray for the effective mission and ministry of our church in its locality.

Parchmore

We give thanks for that we have been able to return to church after Covid and for increased church funds through increased collections and lettings which have allowed us to pay our dues to the circuit and to begin the much-needed repairs to the church. For those who have taken on roles in the church and worked hard towards it's smooth running. For the Parchmore community for the love and friendship that we share with one another.

Please pray for those who are unwell, house bound and those who are unable to attend church for other reasons. For the growth of our church with the increase in attendance of new members, especially young people, so that they will take on the churches roles and allow the continued growth of our church. For unity with the local community, local churches and local leaders, so that we may always live in peace and work together. For peace amongst war torn countries so that innocent people's lives will be saved.

Shirley

We give thanks for all the bountiful things that God has given to us and the donations at Harvest Festival of tools for TWAM.

Please pray for our Christmas tree festival this December. We hope that many people will be able to visit and find it a worthwhile experience.

South Norwood

We give thanks for our one hundred and forty ninth anniversary this year and for the fellowship of love with one another in Christ Jesus.

Please pray for one love, togetherness and the church to be an effective mission in South Norwood to serve the community and spread the gospel.

West Croydon

We give thanks for the gift of life, word of God, His mercies and grace and blessings.

Please pray for Church growth.

Bless and guide our church and Circuit leaders and help us all to uphold, encourage and support each other as we work together to share the good news of your love and grace. In Jesus's name we pray, Amen.

'And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.'
